## SCHOOL PROFILE

For over 15 years, ESOAD has been enabling its students to successfully accomplish their personal study projects, thanks to an e-learning platform and programmes of study that are 100% distance learning.

These e-learning programmes allow learners to **combine studies with a professional life**, benefit from great flexibility for the learning process and acquisition of skills, and opt for training that is purposefully **interactive**.

ESOAD, adopts a pedagogical approach based on an **efficient, human and personalised relationship** thanks to a team of reference lecturers and pedagogical advisers who actively support the students.

The FEDE is an INGO International Non-Governmental Organisation and a supranational institution that was created in 1963, which is endowed with participatory status with the Council of Europe. It federates an international network comprised of over 500 higher and professional education institutions in 35 countries across 4 continents, which share a common project that is hinged on academic excellence, pedagogical innovation, scientific research and openness to the world. The FEDE delivers 90 European degrees that are available in English and in the national language, from the Foundation Degree, the European Bachelor's Degree, the European Master's Degree to the DBA Doctorate of Business Administration. The FEDE counts an international network of over 180,000 alumni.
