## SCHOOL PROFILE

Established in 1974, Griffith College is Ireland's **largest independent** 3rd level institution with locations in Dublin, Cork and Limerick. The main campus is situated on seven acres within a mile of St Stephen's Green on Dublin's South Circular Road.

Griffith College enjoys a **national and a growing international reputation** for student success. The College has gained an enviable, award winning reputation for providing students with **first class lectures** and **excellent study material**.

Griffith College offers **internationally recognised** postgraduate and undergraduate degree programmes, complemented by a wide range of professional, short term and corporate training educational solutions. At Griffith College, there is something for everyone.

The FEDE is an INGO International Non-Governmental Organisation and a supranational institution that was created in 1963, which is endowed with participatory status with the Council of Europe. It federates an international network comprised of over 500 higher and professional education institutions in 35 countries across 4 continents, which share a common project that is hinged on academic excellence, pedagogical innovation, scientific research and openness to the world. The FEDE delivers 90 European degrees that are available in English and in the national language, from the Foundation Degree, the European Bachelor's Degree, the European Master's Degree to the DBA Doctorate of Business Administration. The FEDE counts an international network of over 180,000 alumni.
