SCHOOL PROFILE

For 30 years, ICOGES has been occupying a central place among higher education private institutions. With **3 campuses in France** in Paris, Lyon and Angers, ICOGES offers over 50 programmes across **14 activity sectors**: ranging from real estate to design, communication to IT, and banking to dietetics. All benefit from quality teaching, a solid professional dimension and **consistent proximity to the corporate world**.

To address changes in the job market and the emerging needs of professionals and businesses, ICOGES offers programmes of study that are constantly upgraded, overseen by enthusiastic teams, and within an agile framework.

Almost all of the programmes offered at ICOGES centres are offered through classic training or work-study programmes. **Student employability** occupies a central place right from the start of the training (internship, professional training contracts, work-study programme, field experience, etc.).

Based on its vocation, ICOGES group aims to serve as a bridge between the student world and the professional world.

The pedagogy, which is **focused on the corporate world**, is designed to serve this link in order to successfully accomplish the students' professional integration, in operational and management positions alike.

The FEDE is an INGO International Non-Governmental Organisation and a supranational institution that was created in 1963, which is endowed with participatory status with the Council of Europe. It federates an international network comprised of over 500 higher and professional education institutions in 35 countries across 4 continents, which share a common project that is hinged on academic excellence, pedagogical innovation, scientific research and openness to the world. The FEDE delivers 90 European degrees that are available in English and in the national language, from the Foundation Degree, the European Bachelor's Degree, the European Master's Degree to the DBA Doctorate of Business Administration. The FEDE counts an international network of over 180,000 alumni.
