## SCHOOL PROFILE

INEAD, is a **distance learning specialist** that offers 58 advanced programmes through e-learning, from last year of post-secondary education to Master's degree, in 9 fields of excellence such as HR, Finance, Logistics and Communication.

INEAD's pedagogical approach is grounded on **innovative** and **agile** programmes coupled with participatory projects (workshops).

INEAD is keen on offering rigorous **quality** training in order to facilitate the **professional integration** of its students, enable them to develop analytical and critical thinking skills, as well as civic values and be open to Europe and the world.

INEAD relies on competent faculty members, **individualised mentorship** of the learners, interactive tools, transfer of solid professional skills and a **"project-oriented" pedagogy**.

The FEDE is an INGO International Non-Governmental Organisation and a supranational institution that was created in 1963, which is endowed with participatory status with the Council of Europe. It federates an international network comprised of over 500 higher and professional education institutions in 35 countries across 4 continents, which share a common project that is hinged on academic excellence, pedagogical innovation, scientific research and openness to the world. The FEDE delivers 90 European degrees that are available in English and in the national language, from the Foundation Degree, the European Bachelor's Degree, the European Master's Degree to the DBA Doctorate of Business Administration. The FEDE counts an international network of over 180,000 alumni.
