## SCHOOL PROFILE

The **Institut Supérieur Européen** offers 26 undergraduate and postgraduate diplomas in varied fields such as management, communication, finance, logistics, human resources and environment. Recognised by professionals and recruiters, the diplomas are a guarantee of **quality education**, **innovative pedagogy** and **international prospects**.

The courses offered enable each individual to develop new skills at their own pace, thanks to dynamic **pedagogical supervision** within a small-scale institution. Thus, the institute offers a genuine **"à la carte"** curriculum in order to allow each person to establish their **professional project**, step by step, by offering the possibility to specialise or to redirect one's course of studies.

The FEDE is an INGO International Non-Governmental Organisation and a supranational institution that was created in 1963, which is endowed with participatory status with the Council of Europe.

It federates an international network comprised of over 500 higher and professional education institutions in 35 countries across 4 continents, which share a common project that is hinged on academic excellence, pedagogical innovation, scientific research and openness to the world.

The FEDE delivers 90 European degrees that are available in English and in the national language, from the Foundation Degree, the European Bachelor's Degree, the European Master's Degree to the DBA Doctorate of Business Administration. The FEDE counts an international network of over 180,000 alumni.
