SCHOOL PROFILE

Agitel-Formation Group, located in Abidjan (Ivory Coast) and created in 1990, today counts four institutes: ISCF (Advanced Institute of Accounting and Finance), ISCRH (Advanced Institute of Communication and Human Resources), ISI NTIC (Advanced Institute of Computing and New ICT) and ISMCI (Advanced Institute of Management and International Commerce).

These institutes support students in terms of their path to **job integration** by enabling them to endow themselves with sound **professional skills**.

The institutes seek to provide international companies and institutions with **future employees** that are ready for **management** and **entrepreneurship**, by offering an educational model based on alternating between theoretical learning and practical application in a company setting.

The FEDE is an INGO International Non-Governmental Organisation and a supranational institution that was created in 1963, which is endowed with participatory status with the Council of Europe.

It federates an international network comprised of over 500 higher and professional education institutions in 35 countries across 4 continents, which share a common project that is hinged on academic excellence, pedagogical innovation, scientific research and openness to the world.

The FEDE delivers 90 European degrees that are available in English and in the national language, from the Foundation Degree, the European Bachelor's Degree, the European Master's Degree to the DBA Doctorate of Business Administration. The FEDE counts an international network of over 180,000 alumni.
