## SCHOOL PROFILE

Based in Nantes (France), **Créatica**, a centre for research and education for learning applied creative integrative therapies, trains its students on **haptology**, a discipline that aims to help an individual or a group of individuals with their **well-being**, in a personal, professional or sporting context.

Créatica offers **flexible training** that is tailored to each person's rhythm, through pedagogical programmes and modules dedicated to helping people.

Thanks to **experienced speakers, practical lessons** and acquisition of **transdisciplinary knowledge**, Créatica provides the opportunity to obtain a **haptology practitioner's certificate**, which is recognised across Europe.

The FEDE is an INGO International Non-Governmental Organisation and a supranational institution that was created in 1963, which is endowed with participatory status with the Council of Europe.

It federates an international network comprised of over 500 higher and professional education institutions in 35 countries across 4 continents, which share a common project that is hinged on academic excellence, pedagogical innovation, scientific research and openness to the world.

The FEDE delivers 90 European degrees that are available in English and in the national language, from the Foundation Degree, the European Bachelor's Degree, the European Master's Degree to the DBA Doctorate of Business Administration. The FEDE counts an international network of over 180,000 alumni.
