### SCHOOL PROFILE

The Polytechnic School of Niamey (EPN) is a **private higher education institution** located in Niamey (Niger). It offers programmes specialised in **new technologies** ranging from high school courses to master's degrees.

The pedagogical approach of EPN hinges on **innovative and active pedagogy**, a **culture of entrepreneurship & excellence** and quality teaching staff.

**Practical exercises** are at the heart of the educational system of EPN, which strives for its students to engage in **corporate immersion** during internship.

Lastly, the institution weaves **solid links with numerous companies** that are closely or remotely involved with information and communication technologies. EPN also has **significant academic partnerships**, especially in North America and Europe.

The FEDE is an INGO International Non-Governmental Organisation and a supranational institution that was created in 1963, which is endowed with participatory status with the Council of Europe.

It federates an international network comprised of over 500 higher and professional education institutions in 35 countries across 4 continents, which share a common project that is hinged on academic excellence, pedagogical innovation, scientific research and openness to the world.

The FEDE delivers 90 European degrees that are available in English and in the national language, from the Foundation Degree, the European Bachelor's Degree, the European Master's Degree to the DBA Doctorate of Business Administration. The FEDE counts an international network of over 180,000 alumni.
