SCHOOL PROFILE

Montani School is a **primary education institution** located in Sion (Switzerland) and was founded in 1965. It implements a **quality educational model** and an **innovative pedagogical method**.

Its **pedagogical approach** aims to enable its pupils to acquire a **solid knowledge base**, as well as to **become autonomous and be fulfilled** during their academic programme.

Furthermore, its teachers, who are considerate and attentive, are fully invested in each individual's education and provide **personalised supervision**, which is possible due to **small numbers in classes**.
