## SCHOOL PROFILE

2089 is a private higher education institution that was established in 2015 in Besançon (France).

The institution relies on a **collaborative pedagogical approach** that promotes **autonomy** and the **emergence of skills** specific to each student.

**Professionalisation** is at the heart of the educational model of Ecole 2089. On the one hand, the faculty is mainly comprised of **renowned professionals and experts** from the digital communication field.

On the other hand, Ecole 2089 promotes **immersion in companies** and **interactions between students and professionals**. Indeed, right from the 3rd year, the students take part in programmes in several cities in France, Europe and around the world, designed to **make them meet with operators in the profession**.

The FEDE is an INGO International Non-Governmental Organisation and a supranational institution that was created in 1963, which is endowed with participatory status with the Council of Europe.

It federates an international network comprised of over 500 higher and professional education institutions in 35 countries across 4 continents, which share a common project that is hinged on academic excellence, pedagogical innovation, scientific research and openness to the world.

The FEDE delivers 90 European degrees that are available in English and in the national language, from the Foundation Degree, the European Bachelor's Degree, the European Master's Degree to the DBA Doctorate of Business Administration. The FEDE counts an international network of over 180,000 alumni.
