SCHOOL PROFILE

ILEIC Group, the Free Institute of Computer and Business Studies, is a **grouping of private professional training schools** based in the Agadir region (Morocco). Created in 1988, it is one of the first professional training schools to be accredited in Morocco.

The institution offers a **broad range of courses** in fields such as finance, IT, marketing, management, logistics and graphic design.

ILEIC Group endows each individual with the possibility of starting working life with the appropriate solutions and **quality education**. As such, ILEIC offers courses that address the needs of today's companies, and which help develop and **optimise the employability of its students**.

Extracurricular activities are also essential to the group's **pedagogical approach** as they contribute to the **satisfaction and development of its students**. As such, ILEIC Group provides its student community with modern facilities dedicated to sports and culture.

The FEDE is an INGO International Non-Governmental Organisation and a supranational institution that was created in 1963, which is endowed with participatory status with the Council of Europe.

It federates an international network comprised of over 500 higher and professional education institutions in 35 countries across 4 continents, which share a common project that is hinged on academic excellence, pedagogical innovation, scientific research and openness to the world.

The FEDE delivers 90 European degrees that are available in English and in the national language, from the Foundation Degree, the European Bachelor's Degree, the European Master's Degree to the DBA Doctorate of Business Administration. The FEDE counts an international network of over 180,000 alumni.
