SCHOOL PROFILE

IAT, the African Institute of Technology, is a higher education institution located in Niamey (Niger).

It offers programmes ranging from high school studies to master's degrees in various sectors: communication, accounting, finance, IT, human resources, etc. IAT also offers the possibility of **distance learning programmes** in the tertiary and industrial sectors.

IAT relies on **excellent education** and quality teaching staff. The institution positions **professionalisation** at the heart of its approach with the aim of training future professionals who are competent, responsible and operational, and who are capable of addressing the current needs of companies.

Lastly, IAT is enriched with a **network of academic, institutional and professional partners** on an international scale.

The FEDE is an INGO International Non-Governmental Organisation and a supranational institution that was created in 1963, which is endowed with participatory status with the Council of Europe.

It federates an international network comprised of over 500 higher and professional education institutions in 35 countries across 4 continents, which share a common project that is hinged on academic excellence, pedagogical innovation, scientific research and openness to the world.

The FEDE delivers 90 European degrees that are available in English and in the national language, from the Foundation Degree, the European Bachelor's Degree, the European Master's Degree to the DBA Doctorate of Business Administration. The FEDE counts an international network of over 180,000 alumni.
