SCHOOL PROFILE

IISG, the International Institute of Management Science, is a private higher education institution, and a corporate consultancy, based in Algiers (Algeria).

The school offers **qualifying, certifying and à la carte study programmes** ranging from high school studies to master's degrees in a variety of specialities: marketing, communication, finance, logistics, human resources, management and tourism.

The FEDE is an INGO International Non-Governmental Organisation and a supranational institution that was created in 1963, which is endowed with participatory status with the Council of Europe.

It federates an international network comprised of over 500 higher and professional education institutions in 35 countries across 4 continents, which share a common project that is hinged on academic excellence, pedagogical innovation, scientific research and openness to the world.

The FEDE delivers 90 European degrees that are available in English and in the national language, from the Foundation Degree, the European Bachelor's Degree, the European Master's Degree to the DBA Doctorate of Business Administration. The FEDE counts an international network of over 180,000 alumni.
