SCHOOL PROFILE

The **Matamfen Higher Institute (ISMAT)** is a higher education institution that was created in 2007 and is based in Yaoundé (Cameroon). It offers training in administration science, computer and communication sciences, as well as courses in the IT and industrial fields; through qualifying study programmes ranging from high school studies to master's degrees.

Thanks to quality premises and facilities, **a competent faculty and courses** tailored to students and companies alike, the Matamfen Higher Institute trains its future graduates to allow them to quickly join **the job market**.

Lastly, the Matamfen Higher Institute relies **on many academic, professional and institutional partnerships**.

TSINGA-YAOUNDE
CAMEROON

The FEDE is an INGO International Non-Governmental Organisation and a supranational institution that was created in 1963, which is endowed with participatory status with the Council of Europe.

It federates an international network comprised of over 500 higher and professional education institutions in 35 countries across 4 continents, which share a common project that is hinged on academic excellence, pedagogical innovation, scientific research and openness to the world.

The FEDE delivers 90 European degrees that are available in English and in the national language, from the Foundation Degree, the European Bachelor's Degree, the European Master's Degree to the DBA Doctorate of Business Administration. The FEDE counts an international network of over 180,000 alumni.
