SCHOOL PROFILE

InfoDesign Sup School, which is located in Casablanca (Morocco), is a **private school specialised in computer, multimedia and web studies.**

It offers two types of programmes: **qualifying programmes**, mainly for high school graduates and young students, involving a period for theoretical lessons, internal projects and internship in a company; and, **continuing education**, for professionals who wish to boost their profiles.

Given the sector's high potential for development, InfoDesign Sup thus offers quality programmes at the cutting-edge of **technology and progress.**

For InfoDesign Sup, **its students' employability is paramount**, that is why the school helps them to integrate the job market through **their network of partners** and by posting internship and/or job offers.

The FEDE is an INGO International Non-Governmental Organisation and a supranational institution that was created in 1963, which is endowed with participatory status with the Council of Europe.

It federates an international network comprised of over 500 higher and professional education institutions in 35 countries across 4 continents, which share a common project that is hinged on academic excellence, pedagogical innovation, scientific research and openness to the world.

The FEDE delivers 90 European degrees that are available in English and in the national language, from the Foundation Degree, the European Bachelor's Degree, the European Master's Degree to the DBA Doctorate of Business Administration. The FEDE counts an international network of over 180,000 alumni.
