### SCHOOL PROFILE

**Campus Mennaisien** is a private higher education unit located in Central Brittany.

Campus Mennaisien offers infrastructure adapted to **advanced professional courses**: special buildings, rooms and facilities, equipment dedicated to **specialised computer training** (statistics, Computer-Aided Manufacturing, internet, etc.) **and languages**.

It is endowed with **international exposure** and provides its students with the opportunity to go for internships abroad (England, Spain, Poland, Madagascar, Canada, Ireland, etc.) thanks to **academic and institutional partnerships**.

Inaugurated in late January 2017, Campus Mennaisien offers a comprehensive range of post-high school courses: BTS Management of Business Units, BTS Animal Production and BTS Botanical Production Agronomy.

Lastly, under the umbrella of le Lycée La Touche and with the FEDE's approval, it offers the **European Bachelor's Degree in Consulting and Development**.

The FEDE is an INGO International Non-Governmental Organisation and a supranational institution that was created in 1963, which is endowed with participatory status with the Council of Europe.

It federates an international network comprised of over 500 higher and professional education institutions in 35 countries across 4 continents, which share a common project that is hinged on academic excellence, pedagogical innovation, scientific research and openness to the world.

The FEDE delivers 90 European degrees that are available in English and in the national language, from the Foundation Degree, the European Bachelor's Degree, the European Master's Degree to the DBA Doctorate of Business Administration. The FEDE counts an international network of over 180,000 alumni.
