SCHOOL PROFILE

The Académie de Vitalopathie is a higher education institution of excellence in **the field of naturopathy**. Registered with the Dijon Board of Education, it has been the leading science-based naturopathy training centre in France for 15 years.

Endowed with an **innovative educational approach**, the Académie de Vitalopathie provides **quality training** thanks to a faculty made up of **expert professionals**, whose members impart their knowledge and experience in a spirit of companionship.

A **modest-sized school**, classes are taught in **small groups** in order to deliver rigorous training, with scientific basis, involving maximum **clinical practice**.

This institution positions **practical exercises** at the heart of its pedagogical approach through a broad range of **practical internships**, and **access to 30 cases that are genuinely clinical**. The goal of the Académie de Vitalopathie is to train naturopaths with a high scientific level and who can start working immediately.

The FEDE is an INGO International Non-Governmental Organisation and a supranational institution that was created in 1963, which is endowed with participatory status with the Council of Europe.

It federates an international network comprised of over 500 higher and professional education institutions in 35 countries across 4 continents, which share a common project that is hinged on academic excellence, pedagogical innovation, scientific research and openness to the world.

The FEDE delivers 90 European degrees that are available in English and in the national language, from the Foundation Degree, the European Bachelor's Degree, the European Master's Degree to the DBA Doctorate of Business Administration. The FEDE counts an international network of over 180,000 alumni.
