SCHOOL PROFILE

SEK Les Alpes, a campus of Spanish group SEK International Schools, is an international secondary education school that is trilingual (French, English and Spanish), which is located in Flumet, France. It is the only private school in France that is recognised by the Spanish Ministry of Education, Science and Sports.

Drawing on its multiculturalism, SEK Les Alpes bases its academic approach on rigorousness, balance and acquisition of knowledge, with the goal of moulding a critical mind and the creativity of each of its pupils, while allowing them to learn at their own pace in the best possible conditions. Indeed, located right at the heart of the French Alps, the premises of SEK Les Alpes are a place for fulfilment, notably including group work and collaboration areas.

The FEDE is an INGO International Non-Governmental Organisation and a supranational institution that was created in 1963, which is endowed with participatory status with the Council of Europe.

It federates an international network comprised of over 500 higher and professional education institutions in 35 countries across 4 continents, which share a common project that is hinged on academic excellence, pedagogical innovation, scientific research and openness to the world.

The FEDE delivers 90 European degrees that are available in English and in the national language, from the Foundation Degree, the European Bachelor's Degree, the European Master's Degree to the DBA Doctorate of Business Administration.
