## SCHOOL PROFILE

ICSSA (Saint-André Superior Catholic Institute) is a two-in-one institution: **a post-baccalaureate high school and a training centre** located at the heart of Niort, ICSSA receives over 250 students and interns every year, at a **modern campus** in a pleasant and welcoming environment.

The institute positions **professionalisation at the heart of its pedagogical approach** by allowing its students to undergo numerous corporate immersion periods (internships, work-study). It is mainly through a solid network of **partner companies** that ICSSA steers its students towards employment.

It equally fosters **international mobility** by encouraging its students to carry out their professional internships abroad. The institute guarantees **supervision and support** for all pupils in the training plan.
